

Staros Kiosk Lockdown App

Switch between tablet app modes, web pages and playing media all within one UI. This custom kiosk lock down application protects your information while streamlining all device activities into one simple process and integrates seamlessly to all businesses. Available on Nebula, Epsilon, Jarvis and Tauri tablet ranges only.

Star Control MDM Device Management Software

Remotely manage all Glory Star devices at the same time, systematically update and manage user requests in one single platform. Improves security and efficiency for access control and media management while providing flexibility.

NEBULA

Kiosk tablet

10.1 inch
15.6 inch
21.5 inch

USED BY EVERYONE EVERYWHERE

Why Nebula?

The most versatile tablet range that is equipped with optional 4G module to stream data anywhere, a unique I/O cover that prevents cable disconnection and comes with free software to lockdown and remote manage!

epsilon

Fitness mirror

43 inch

PERFECT FOR SOLO OR GROUP WORKOUTS

Why Epsilon?

Keep your business going by offering virtual classes while keeping overhead costs down. It's a cardio class, a yoga studio, a boxing ring, your new personal trainer, your fitness coach and so much more!

ULTRON

Commercial Windows tablet

10.1 inch
15.6 inch
21.5 inch

BUILT TO LAST IN ANY APPLICATION

Why Ultron?

Pre-installed with Windows 10 IoT and offers two CPU options from Intel Celeron and Intel Core i3/i5. It has a total silence fan-less design and a minimum screen life of 10k hours. Ideal for both smaller or larger businesses.

TAURI Temperature Check tablet

Variety of workflow selections and ability to access control, Tauri can check-in employees/guests and guide visitors with no staff present. Simple integration and customization abilities to launch your app, website or loop videos. Update over the air for hassle free updates!

Compliant and approved

We make sure Tauri is safe and up to standard so you don't have to. Tauri comes with a 2 year warranty.
