## **Made in U.S.A. Qualification and TAA Compliance**

All products offered by Radio Design Labs, Inc. identified as "Made in U.S.A." are manufactured at our facility located at 659 6th St., Prescott, Arizona, United States of America and comply with the "Buy American" provisions of section 1605 of the American Recovery and Reinvestment Act (ARRA) of 2009 requirements that substantial transformation has occurred in the U.S.A.

All products offered by Radio Design Labs, Inc. are Trade Agreements Act (TAA) compliant, if identified from an authorized Country of Origin.

The Country of Origin may be found in one or more of the following locations:

- 1] On the manufactured item;
- 2] On the product installation and data sheet/manual provided with the product and/or available on the RDL website;
- 3] On the product carton/label;
- 4] On the product data page(s) of the RDL website;
- 5] On export documentation;
- 6] On an RDL commercial invoice;
- 7] On Country of Origin lists published from time to time by RDL;
- 8] On any other official RDL document.
